A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submissions (amendment and certified translation of foreign priority document) filed on October 15, 2007 have been entered.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification:

Page 4, line 2: "PLOBLEM" has been changed to --PROBLEM--.

Page 15, in the chemical name under the first formula following line 10: "fran" has been changed to --furan--.

In the abstract:

In the first line following "ABSTRACT": "has" has been changed to --have--.

In the fourth line following "ABSTRACT": "is" has been changed to --are--.

Art Unit: 1794

The amendment filed October 15, 2007 amends claim 15 and adds claims 30-32.

The rejections of claim 15 under 35 U.S.C. 102(a) and claim 21 under 35 U.S.C. 103(a) are withdrawn in view of the amendment to claim 15 and the contents of applicant's foreign priority application.

Claims 15-27 and 29-32 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art does not disclose or suggest an electroluminescent device in which a light-emitting layer comprises a quinoxaline derivative represented by the formula defined in any of independent claims 15-19 and 30.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
